Proud partner of UNICEF

Norwegian has partnered with UNICEF Norway for more than 18 years to help children affected by conflict, disasters and humanitarian crises. Our partnership is built on action. Our employees arrange fundraisers, volunteer their time and contribute through our annual Christmas donation. Our passengers contribute through donations when booking and travelling with us. Together, this support has raised tens of millions of Norwegian kroner for children in need.

One of our most distinctive commitments is our Fill-a-Plane missions. On these humanitarian flights, a Norwegian aircraft is loaded with tonnes of emergency supplies, like first-aid kits and educational materials, flown directly to where children need them most. We have carried out such missions to the Central African Republic, Jordan, Mali, Yemen, Chad, Ethiopia and Sierra Leone.

By flying with Norwegian, you are part of this effort, helping ensure that vital aid reaches children where it matters most.
