Terms and conditions for advertised fares

All our advertised fares are charged per person, per one-way flight and include all mandatory taxes and charges. Our advertised fares are from our standard inventory and are available on the advertised routes/days until all seats in the advertised fare category for the advertised route/days are sold. Availability of the fares advertised for each scheduled flight is extremely limited. Fares and seat availability on our website are updated continuously and may vary to be less or more than the advertised fares.

The advertised fares are based on a LowFare ticket. [Restrictions and other optional services](#) and additional [baggage charges](#) may apply.

Restrictions and baggage fees apply for the destinations listed below:
